

Answer to Notice of Intention to Recall

Dear Voter,

When I began my fight for mobile home rent control, it was to protect the elderly from rent-gouging landlords.

Leadership isn't about catering to special interests, it's about doing the right thing.

I'm proud that through my leadership on our City Council we have increased after-school activities for kids, started a firefighter-paramedic program, expanded open space and protected our City's interests at Moffett Field.

I appreciate your reading this petition carefully and hope that you'll continue to work to make our community a better place to live.

If you have ideas or suggestions for our City Council, please call me at home at 650-966-9605 or e-mail me at [sally@sallylieber.org](mailto:sally@sallylieber.org).

Thank you for your time in reading this.
